

Dear

Lawyer and Independent ~~int~~ review
authorities. The ~~poor~~ police, Federal bureau
of investigation department, District attorneys
office, and CIA. Have been using my name
in an unlawfull way. Along with every
other law enforcement agencies around the
world. They are using my name in every
criminal family around the world. As far as
political events, and Mafia members that
sale illegal drugs, and import and export
women, little boys and girls. I have had various
death threats against me. From the police
and other people on the streets of Chicago.
They put a Voodoo magic on me in an unlawful
way. I do admit to saying use the magic
to put me to sleep, but they did not do that
they used the magic in there way. They have
torched me with it for over 5 months now.
They have told employees to deny me
jobs that I have applied for. Like
at pet smart, petco, ~~petco~~ Kriscor pet store,
parker pets store. I like to work with animals
they are trying to get me to learn brick
work, and Masonry. I don't like not
like Masonry work or brick work. Yes
I do admit that I went to school

for brick work, but I do not like
it. I never paid any attention in
class I always brought dog books to
read. You can ask my Masonry teacher
that. I don't know how to spell his
last name, but his first name is Bob. The
name of ~~my~~ the technical school that
I attended it was Masabi Range Technical
and community college. These people have
put my name in with various drug dealers
around the city and the United States.
They had me illegally arrested and put
~~in Saint Bernard~~ from Saint Ambros Catholic
church and put in Saint Bernard Mental
ward. ~~At~~ Along with various other ~~at~~ mental
wards. ~~At~~ ~~use~~ The police had them con-
vince me to admit my self into the
mental ward, and they did the same
thing ~~from~~ for me to go to Gould farm.
They did not take me to court for any
mental reasons so that I could be put
in a mental ward. I asked for three things
to let me work a normal job. To let
me breed my dog and then not to do it
it. They are doing it anyway. To keep
my face off TV. They put my face in
the source Magazine of August 2011.

I want the world to know god saved the
world not me. The police had some people
jump on my cousin charles parkins. Their
names is Dorothy and Carl. I do not know
these people and do not want to know these
people. The ~~poor~~ police had them jump
on my father. I knew one of them
and her name was little pot. She is
a part of Carl family. I do not
wish to talk to that lady any more.
A lot of people will be able to confirm
my story. I am taking medication that
I should not be taking. They have given
control of my life to the people people
who are trying to set me up. I will
have you read this letter first before
I talk to you because they are going
to try to make me angry at you and
get me to scream and yell. The reason
they do not want to take my to court
is because they do not want to put
down PC, that means police communications.
I told them no lady what ever god
GOD wants to do to me let him do it.
I asked them not to do it, because if
they do it it is a sin. If GOD does it
it is not a sin. It will make earth better,

and ~~not~~ man kind better. The
Police have denied me the right
to wear what ever kind of shoes
I want to wear. You can ask the people
at the Nike outlet store on 8772
in Cottage Grove. I do not like the
style of new school shoes. I like
old school shoes 85 addidas. I am
in line to get something to eat they
try to make me have contact with Dorothy
family and calls family. I do not want
to deal with these people. Every time
I drunk a pop, smoke cigarette, and
listen to rap music. They add on something
else to the case. They still my money
gospel cds, body oils, anything that makes
me feel good. They take money that my
father give me from working. Which is not
a lot and give it to a little boy that
I do know. I have not been DNA
tested with the little boy in my present.
So I do make anything but for the
30 or 40 dollars a day. When they
have you come out to my father for
they are going to have him give
me 100, or 150, or 200 dollar for
that day. They will show up

little sign. They know I don't fight
dogs or anything like that. They have
denied me the right to older Jesus
movies and watch them, and to use
my phone internet the way I want to.

They denied me the right to buy
my tapes from power 92 and tapes stores.
They have denied me from producing
my life time dreams. Ms lady I ask
that you and any lawyer's office
out there give the citizens of Chicago
their money before I get mine, I
am not and give the citizen of the
United States their money. Ms lady
I am not taking anything less than
~~30%~~ 10% to 30%
